Title: To My Dear Friends

Author: Adamu Wellings

\_\_\_\_\_

I wanted to give you a very special thank you. Today I graduate and begin to make my way into the world a young man.

My friends, without your

support and advice, without your watchful eye and guidance, I surely would have fallen into darkness.

The future is bright for us all. I hope you enjoy

this momento... a small piece of myself.

Remember me.

\*Signed, "Adamu Edom Wellings" in beautiful script\*
